

ENGLISH CLASS CORNER

## TBPSE AND TBPCT CLASSES INTERVIEWED FOR A SURVEY

**A survey by the TCSS has studied every corner of the lives of TBPCT and TBPSE.**

### **About school**

For 33% of teenagers Maths is the favourite subject followed by French and Spanish. English is the subject they dislike most.

### **About transport**

According to our survey, 42% of students take the bus and their car to come to school. Others come to school by train or on foot.

32% have a driving license but 36% already have a car.

### **About sports**

Almost every teenager likes sports.  $\frac{1}{4}$  of the students practice a team sport and half of them practice an individual sport. 38% prefer dancing and 31% swimming. 16 out of 42 hate football.

### **About leisure time**

During their leisure time,  $\frac{3}{4}$  of teenagers go out with friends; almost half of them go shopping and 17% listen to music. The others read, play video-games and go to the cinema.

Almost every teenager has a computer: 74% surf on the Internet, 50% chat, listen to music and work.

### **About music**

60% listen to R&B, 26% to reggae, 19% to rap but only 2% listen to jazz. Nobody listen to classical music. 67% listen to music from 1 to 3 hours a day.

### **About clothes**

A majority of teenagers wear relaxed clothes. 9 students out of 42 wear smart clothes.  $\frac{1}{3}$  of students spend from 31 to 60 euros a month on clothes. Almost as many spend 61 to 100 euros.
